

VOTER GUIDE

Your COUNTY

An informed voter asks better questions—and expects better answers.

WHY ARE YOU RUNNING?

- * What specifically motivated you to run for this office at this time?
- * What problem are you trying to solve?

WHAT DOES THIS JOB ACTUALLY DO?

- * What authority does a County Commissioner have—and what can't you do?
- * What are the three most important responsibilities of this office?

EXPERIENCE & RESULTS

- * What have you done that produced measurable results?
- * What is one decision you made that did not work out—and what did you learn?
- * If reelected, what would you do differently?

ISSUES THAT MATTER

- * What is the most important issue facing Our County today?
- * What is the most urgent issue in your district?
- * What specific result will you deliver by the end of your term?

HOW DO YOU MAKE DECISIONS?

- * Before a major vote, what information do you rely on?
- * Who do you talk to that you disagree with?
- * Tell us about a time you changed your mind on an issue.

VOTES & TRADEOFFS

- * What is a vote you cast against—and why?
- * What alternative did you propose?
- * What tradeoffs did you consider?

MONEY, ROADS & GROWTH

- * If the county needs more revenue, what should be cut or funded differently?
- * Who should pay for road damage caused by heavy truck traffic?
- * How should the county balance growth with preserving its rural character?

LOOKING AHEAD

- * What is the hardest decision the Commission will face next term?
- * What will Our County look like in 10 years if we get it right?
- * What happens if we don't?

TRANSPARENCY & LEADERSHIP

- * How will you keep the public informed about your decisions?
- * Describe a time you worked with someone you strongly disagreed with. What happened?
